

TEAM

"The old economy was commodity based than politics, but the new economy is mathematics (crypto)"

RENZE DEELSTRA - CEO

My name is Renze, a flexible, communicative strong Dutch entrepreneur, with extensive experience within the direct sales and network marketing industry since 1990, creative in finding ad hoc solutions and meeting deadlines and results. My stress resistance and adaptability help me to work in a customer-oriented way. Also not unimportant: I have a good portion of humor and never have a morning mood! I am an entrepreneur, writer, author, trainer, producer, go-getter, organizer, Icebreaker, Firestarter, who has been to 63x countries.

The last 20x years, never stopped developing myself in Sales and networking, did spend 200k on personal development, with this I grew huge sales teams around the globe.

Action Speak Louder than Words!

Here some results during the years of my career, off course I can explain it better in a good conversation what the secret ingredients are of massive duplication."

Education and experience

1992: Graduated in Process technology -higher professional education (local Dutch) - lived in the '90 in Panama - after the millennium in Indonesia than the Philippines. Languages - Dutch - English - German - Spanish fluent - French on a basic level.
